Article XI. Financial Management

Section 11.01 Dues and Fees

Annual Scout membership dues, assessments and various event fees are required to be paid to be eligible to participate in the troop and troop events respectively. The Committee shall be responsible to set and publish the joining fees, annual membership dues and assessment fees by August 31st for the next charter year. The Treasurer should have all fees collected by January 31st to conclude the re-charter submission.

Section 11.02 Financial Reimbursement

The intent of the Financial Reimbursement Policy is to define the terms or requirements whereby a Scout or Parent reimburses the Troop for expenses associated with involvement in the Troop. These expense items might include yearly dues or assessments, uniform and related items, and expenses associated with attending Troop activities.

(b) Process

Under normal circumstances, the scout will pay all expenses. Yearly dues or assessments and trip fees are discussed in the weekly patrol meetings and all Scouts that participate in the troop are expected to pay their share of the expenses.

(c) Payment

All payments for dues, assessments or trip fees should be made directly to the Treasurer of the troop. Checks made payable to "Troop 207" is preferred for all expense items, but cash will be accepted in the event a check is not available. Cash should be handed to the Treasurer or the Event Chair for safe and accurate handling and record keeping. If the Treasurer is not available to receive funds, the check can be given to a registered leader at a Troop meeting

Delinquent Funds

Most of the events associated with Scouting have deadlines. Annual dues or assessments occur during Troop re-charter in January. Most trips require deposits and final installments prior to the date of the scheduled trip. The Treasurer will announce the deposit and payment deadline dates as the events unfold during the year. Efforts should be made to ensure that all funds are paid on time prior to any scheduled event. Efforts will be made during the regularly scheduled meetings to collect any delinquent funds from Scouts. Extended delinquent funds status of any Scout will result in the appropriate action necessary to recover the funds.

Section 11.03 Fuel Reimbursement

(a) Purpose

To provide fuel reimbursement to adult drivers that transport scouts to or from Troop 326 Officially sanctioned scouting events.

(b) Justification

Fuel prices are causing an undue burden on Adult volunteer drivers that transport more than one scout or pull the Troop trailer to Official Scouting Events. A policy is warranted to more fairly distribute the associated transportation cost to all the event participants.

(c) Policy:

Troop 207 will reimburse approved Adult drivers for reasonable fuel costs that result from transporting more than one Boy Scout to or from an Official Troop 207 scouting event of 25 miles or greater one way.

(d) Conditions

Adult drivers will be eligible to receive a fuel credit, in their boy's Scout Account, if the following conditions apply:

The following process will be followed to receive credit, account for, and reimburse driver fuel costs.

Driver:

1. Volunteer and receive transportation pre-approval from the Camping Coordinator
2. Provide transportation to or from the event for more than one scout (if your son is attending) or transport trailer

3. Provide a by name list of transported boys (each way) to Camping Coordinator for reimbursement in scout account or actual fuel cost if pulling a trailer

Camping Coordinator:

1. Identify requirement for drivers based on number of boys attending the event
2. Take names of volunteer drivers
3. Let drivers know who is needed
4. After the Event collect by name list from drivers or fuel receipt if trailer pulled
5. Provide driver lists and fuel receipts (trailer) to Treasurer for scout account reimbursement

Treasurer:

1. Receive transported scout lists and fuel receipts (trailer) per driver from Camping Coordinator
2. Debit each attending scout account \$2.50 per 50 miles traveled (see standard distance matrix) or troop account to reimburse actual fuel cost for pulling a trailer
3. Credit authorized drivers scout accounts
4. Maintain standard distance matrix and current reimbursement rate per 50 miles
5. Review and recommend changes (to the Troop Committee) for the reimbursement rate

Troop Committee:

1. Approve and maintain policy
2. Review and approved reimbursement rate once a year

(f) Controls:

- Troop Committee
- Scoutmaster
- Camping Coordinator
- Treasurer
- Reimbursement Rate per scout (to be deemed by Troop Committee on individual trip basis)

(g) Qualifications:

Drivers receiving reimbursement or credit cannot claim a charitable deduction for Income Tax purposes. The Troop will not issue 1099's.

To receive a fuel reimbursement (credit or actual cost) pre-approval must be obtained through the Camping Coordinator or Scoutmaster.

It is the drivers' responsibility to submit a by name list of transported scouts and/or fuel receipts for pulling a trailer to the Camping Coordinator in a timely manner in accordance with the Troop Reimbursement policy.

Section 11.04 Financial Help

(a) Purpose

The intent of the Financial Help Policy is to define the terms or requirements whereby a Scout (or his family) might receive financial assistance with expenses associated with belonging to Troop 207. These expense items might include yearly dues or assessments, uniform and related items, or expenses associated with a Troop activity.

(b) Application Process

The process for obtaining funds is as follows:

1. The Scout or Parent should approach the Scoutmaster, the Committee Chair or the Treasurer and make their need known.
2. The Troop Committee should decide whether troop funds be committed in order to fulfill the need on a case by case basis.
3. The Committee should consider the Scout's participation in fund raising events designed to benefit the troop in making the determination of support.

4. The popcorn sales earned by the Scout should be considered as a source of funds for financial help. The amount is a small percentage of the Scout's gross popcorn sales, and is typically used to fund summer camp.
5. The Scoutmaster may decide on his own for amounts up to \$25.

(c) Communication of Results

Once the Committee has made a decision regarding the request, the Scoutmaster or designate should communicate the results to the Scout and his family in private.

Section 11.05 Troop Fund Raisers

(a) Popcorn Sales

The troop participates in the annual Boy Scout Popcorn Sales fundraiser. Organized by the Popcorn Chair, each Scout is encouraged to sell popcorn in uniform to raise money to be used for BSA, the Troop and towards the cost of their summer camp experience. The Troop receives 35% of the total popcorn sales amount. The funds the Troop receives from Popcorn sales are distributed as follows, 75% to the Scout Account (Scout Bucks) and 25% to the Troop. Boys registered as members of Troop 207 are expected to be active participants in Scouting by regularly attending at troop meetings and activities and participation in service projects and fund raising.

Section 12.02 Protocol for New Scout Patrol Assignments

This will be done randomly and at the discretion of the Scout Master & Membership Chairman. Scouts crossing over from Cub Scouts will be placed into an existing patrol or will be placed into new patrols where sufficient members are needed and mixed with other boys from other groups.

Section 12.03 Adult Membership and Participation

Parents are welcome and encouraged to become active participants in the troop program. Adults that intend to participate are strongly encouraged to become registered members and if possible, attend Leader Training. Parents are encouraged to become Merit Badge Counselors within their area of expertise.

Section 12.04 High Adventure Unit Membership and Participation

Troop 207 will have a high adventure unit, centered on a Venture Crew. The purpose of the unit is to focus on high adventure activities, fostering retention of older boys in the Scouting program. This notification should be done in writing and turned in with the activity permission slip. Parents are also responsible for advising in the same way of any special medical requirements their son may have including, but not limited to, the administration of medication.

Parents are responsible to obtain and keep current the Annual BSA Health and Medical Record for their son. Parents are also responsible to re-certify annually by their review and signature that the documents on-file with the troop has not expired and is accurate. The proper time to accomplish this is at Troop Re-charter.

At the discretion of the Event Safety Officer, the parent may be required to accompany the Scout on the trip.

Section 13.03 Conduct

A Scout is expected to conduct himself as a Scout at all times in compliance with the Scout Oath & Law. In addition a Scout is expected to follow all BSA, Troop, or activity site regulations. Conduct that detracts from the overall best interest of the Troop and BSA will not be tolerated. Any Scout in violation of the rules of conduct may be subject to suspension or probation by the Scoutmaster. Repeat offenders may be dismissed from the troop by the Troop Committee or Scoutmaster.

Section 13.04 Scout Uniform Policy

(a) Introduction

The leadership of Troop 207 puts an emphasis on the Scout uniform as the most visible symbol of Scouting to the community. It is our desire that members of Troop 207 display to the community their pride in being a member of Troop 207 and the Boy Scouts of America by wearing the uniform. The way a Scout wears the uniform demonstrates this pride in his patrol and the troop, as well as establishing a positive reputation for Scouting. The rules covering uniforms in the *Scouting Handbook* are designed to encourage scouts to wear the uniform properly and as a symbol of their individual achievement and the achievements of their troop.

Outgrown uniforms should be “re-cycled” through the quartermaster. The Committee may set a fee or price for experienced uniforms, otherwise, no charge.

Article XV. Troop Information and Publications Policy

Troop information and troop business needs to be communicated properly to those involved, including all of the Parents of the Scouts.

Section 15.01 Troop Information Databases

Troop 207 will use TroopMaster software to maintain membership and advancement information. Scout and Parent information collected via registrations will be held confidential and as such, will be accessed and updated by the Scoutmaster and Core Troop Committee Members.

(a) Purpose

The main purpose of the TroopMaster software is to maintain data for BSA Troop 207 scouts and the scout unit. The information should be properly and accurately reported and maintained to the best of the ability of the designated responsible persons.

The data is to be available to BSA members, but is not to be available for distribution outside the needs of BSA scouts, scout parents and leaders.

(b) Data Acquisition & Update Procedures

Information is provided to the TroopMaster Data Coordinator as outlined below, usually in the form of a list or email when possible.

Advancement – Scout advancement information is provided by the Advancement Chair. Information includes scout rank advancements, completed merit badge cards, dates of completion, and any other pertinent data. Other Advancement data: Merit Badge Counselor information is maintained by Advancement Chair and/or TroopMaster Data Coordinator, and is reviewed annually.

Membership – New membership information is provided by the Membership Chair. Information includes info from completed new scout forms, adult registration forms, merit badge counselor forms and annual recharter list. Other Membership data: Automobile registration – in the past this has been gathered from new parents after Webelo to Scout transition. Current physical records – Copies of the Annual BSA Health and Medical Records are provided by the Safety Officer to update medical information required by BSA regulations.

Activities – Activity information is provided by Outdoor/Activities Chair. Information includes activity type, date, attendance, and variations in attendance (i.e. 1 night of camping on a 2-night campout). Event/Activity information may be provided by the designated Event Coordinator who will verify the participation, etc. from that event.

Training – Scout and adult training information is provided by the Training Chair. Special training classes & awards (i.e. BSA Lifeguard, Totin' Chip, etc.) are also reported for recording in TroopMaster by the adult leader in charge of the training.

Fundraiser / Finance – TroopMaster does not provide the ability to keep track of regular troop finances. There is a companion product, *TroopLedger* designed for this function. It does, however, provide tracking of individual & unit sales & payments for fundraisers, although it has not been used to track fundraiser money/ sales information to date.

(c) Data Distribution & Access Guidelines

Currently, the Troop Committee Chairs have access to TroopMaster software and receive updates of data files from the TroopMaster Data Coordinator. Due to software licensing restrictions and sensitive information in the database, distribution of the software program and data files will remain at the Core Committee level.

Backup data copies are distributed electronically to the Troop Committee Chairs quarterly, and may be distributed more frequently if the need arises or at the discretion of the TM Data Coordinator, such as after a major update. Updated working data files are sent to the backup TM Data Coordinator quarterly, or as frequently as needed. Updated archive data files are sent to the backup TM Data Coordinator annually.

The distribution of information is accomplished primarily using reports. There are many reports that can be generated and distributed to scouts or adult leaders as deemed appropriate, necessary, or by request. These reports can be printed or sent electronically at the discretion of the TroopMaster Data Coordinator or any Troop 207 Committee member with software and data access. Examples may include, but are not restricted to the following: Individual Scout Progress, Individual Scout History, etc. Reports can be printed or sent electronically to the scout or his parents. Any reports that can help a scout complete his own records, such as Activity Reports, etc. can be sent as requested. Reports that can be used to assist adult leaders, Patrol Leaders, the Senior Patrol Leader or Assistant Senior Patrol Leader are also made available by request.

Long Range Plans:
